Henzon Vergara Full-Stack Web Developer • System Engineer

14F Knollsbrook Drive, Ottawa, Ontario K2J1K8 • (416) 854-3730 • henzonvergara@yahoo.com

CAREER OBJECTIVE

A skilled and innovative web developer with more than 10 years of experience in front-end and back-end development, seeking to leverage expertise in creating efficient, responsive and user-friendly web applications. Passionate about learning and utilizing the latest trends and technologies to deliver high-quality solutions.

SKILLS

- Strong knowledge of back-end technologies such as PHP, NodeJS, MySQL, and MongoDB
- Experience with PHP frameworks such as Laravel, and CakePHP
- Proficient in HTML, CSS, JavaScript, and various front-end frameworks such as NextJS and VueJS
- Skilled in WordPress including theme customization, plugin development, and content management
- Familiarity with version control systems (Git)
- Hands-on experience with DevOps practices using Ubuntu, LEMP and LAMP web stacks
- Ability to work autonomously or collaboratively, managing multiple tasks and deadlines
- Excellent problem-solving and debugging skills

WORK EXPERIENCE
